

DESCRIPTION:

Bass Coast Health (BCH) offers off-site accommodation within close proximity of the hospital. The offsite accommodation provided by BCH are modern styled houses/units varying in the number of bedrooms (1-5 rooms). For security purposes all bedroom's doors and bathrooms/toilets can be locked. Each house generally has two toilets, a shared bathroom and an ensuite in the master bedroom. There is a shared kitchen, dining and lounge space equipped with furniture and a TV for tenants to utilise. All cooking & kitchen utensils are available for residents to use as you wish. Heating/cooling is provided for tenants in communal spaces.

Each bedroom comprises of a double or king single bed with basic linen and towels supplied, study desk, chair and lamp. Residents are welcome to bring any home comforts such as their own doona, quilts or pillows etc.

Basic cleaning products and equipment are supplied. It is an expectation of tenants to regularly vacuum and clean the floors in communal areas, clean the bathrooms/toilets and wipe down the kitchen surfaces/appliances. Laundry facilities are also provided including a washing machine, dryer, clothes airer, iron & ironing board.

Cleaners will only visit the property to restock cleaning items etc when requested through accommodation or to clean a room/unit once a tenant has vacated the property. Cleaning staff will not clean the property or bedrooms for the duration of your stay. We would appreciate if your bedroom and communal spaces were kept clean at all times.

Please be mindful, respectful and considerate of any occupants residing in the property at all times. Conducting yourself in accordance with hospital codes of conduct and behaviour.
