

# Expressions of Interest are now OPEN for the 2024 Refresher Program.

Are you a Registered Nurse or Midwife who has been out of the workforce, or who has been working out of their acute specialty and looking to re-skill?

**You could be eligible for a \$10,000 support scholarship to assist you! \***

Bass Coast Health is currently offering the opportunity for AHPRA registered nurses or midwives to undertake our Refresher Program.

This program will provide you with structured educational and clinical experience and access to our highly skilled education team, to assist in gaining confidence to re-enter the clinical workforce.

Clinical areas include: Emergency, Inpatient units, Theatre and Maternity

**\*Eligibility criteria apply.**
